

I Am A Christian

G C
And the river opens for the righteous
G C
And the river opens for the righteous
G C
And the river opens for the righteous, oh yeah

G C G C
I was talking with my brother
G C D C
And I wondered what's on his mind today
G C G C
He said, "What I believe in my soul, and what feel in my heart
Em C D C
Just makes me want to say"

G C G C
'I am a Christian and I love Jesus
G C D C
When you love Jesus, everything feels right
G C G C
It's great to be in his family, do you understand me?
Em C D C
He is the Way, the Truth, the Life"

And the river opens for the righteous
And the river opens for the righteous
And the river opens for the righteous, oh yeah

I was talking with my sister
And I wondered what's on her mind today
She said, "What I believe in my soul, and what feel in my heart
Just makes me want to say"

'I am a Christian and I love Jesus
When you love Jesus, everything feels right
It's great to be in his family, do you understand me?
He is the Way, the Truth, the Life"

And the river opens for the righteous
And the river opens for the righteous
And the river opens for the righteous, oh yeah

And the river opens for the righteous
And the river opens for the righteous
And the river opens for the righteous, oh yeah
