

King Of Kings, King Of Fools

Intro: G D C C/B C/A G

G D C Am
Crown of thorns and blood-streaked face
G D C C/B C/A G
Nothing regal about the place
G D C Am
Where You hung between the earth and sky
G D C C/B C/A G
Waiting for all death to die

Throwing mercy to the crowd
Who watched defiant, foolish, proud
You said Your final words to the sky
Waiting for all death to die

C G Gsus G
King of Kings, Lord of Heaven
C G D
Ruler of all time and space
C G G/F# G/E Em
King of fools, misunderstood
C D C C/B C/A G
By all of us You came to seek and save

Befriending those who've been cast out
Heaping proof on those who doubt
Bestowing mercy on the cruel
Giving wisdom to the fool

King of Kings, Lord of Heaven
Ruler of all time and space
King of fools, misunderstood
By all of us You came to seek and save

Foolish man, I know am I
For thinking I was ever wise
Now, I'm alive by Your life in me
I'll be the fool they need to see

King of Kings, Lord of Heaven
Ruler of all time and space
King of fools, misunderstood
By all of us You came to seek and save

(repeat chorus)
