

My Savior Lives In Me

E
When the clouds roll in

And the rain pours down

C#m
And the lightening strikes

E
And the thunder sounds

A E
I know my Savior lives in me

A E
I know my Savior lives in me

A E
I know my Savior lives in me

A B (hold)
I know my Savior lives in me

E
He lives in me

When the darkness comes
And the winds don't cease
The world closes in
And it's hard to breathe

chorus

B A
'Cause when I feel this way, I know what to do

B A
I just fold my hands, and I pray to You

B A
And when I call on You, You set me free

B A B E
That's when I know my Savior lives in me

If the sun burns out
And the stars don't shine
And the mountains fall
And the oceans rise

chorus

B A B E
That's when I know my Savior lives in me
